# Build Digital Relationships with Visitors

Exceed Their Expectations – And Yours

DATA SHEET

The world changes, and so do consumers' expectations, which completely redefines what determines a successful marketing program. Marketers always need to refine their digital strategy – each campaign is increasingly datadriven, personalized and intuitive based on the target audience.

Say goodbye to siloed, point-in-time data, and bid farewell to generic campaigns and missed lead generation opportunities. Today's digital marketers need intelligent, unified and straightforward tools to deliver next-level programs. Differentiate the customer journey experience while accelerating time to market with Sitefinity Insight: Integrated analytics, optimization and personalization tools within Sitefinity's cloud-first digital experience platform.

## **Key Benefits:**

#### Analyze Cross-Channel Data

- Easily measure beyond a single website visit and collect customer interaction data across multiple channels - websites, mobile apps and chatbots, so that it does not end up siloed.
- Track interactions over the course of multiple sessions, to identify the exact content that drives conversions including single, multi-touch and non-linear AI-driven conversion attribution.

#### **Build Detailed Persona Segments**

- Create 360-degree profiles of visitors get an all-in-one picture of who your visitor is, what their preferences are, what path they've followed and how they've interacted with your brand.
- Assign visitors to persona profiles to create, track and target various audience segments with relevant campaigns.

#### Identify Highly Engaged Prospects

- Deliver a personalized experience from a lead's very first interaction that guides them further into the sales funnel with the help of detailed lead scoring models.
- Target the most relevant audience by tracking and evolving lead scores based on a lead's interaction history, both anonymous and known.

#### Leverage Real Time, Machine Learning-Driven Insights

- Gain ML-powered experience optimization recommendations to create targeted and meaningful marketing content that yields optimal KPIs and maximizes lead generation.
- Pinpoint campaign performance anomalies and receive real-time notifications when significant variations are detected — allowing you to capitalize on a successful strategy and identify where you need to optimize.

#### Deliver High-Impact, ROI-Driving Campaigns

- Build personalized campaigns for key audience segments (including both anonymous and registered users) based on demographics, online behavior and data collected across platforms.
- Test and validate changes to campaign strategy via A/B testing which informs intelligent, data-driven marketing decisions.
